

AI Email Agent

Reads every incoming email, classifies it with AI, logs leads, alerts on anything urgent, auto-replies only to routine questions.

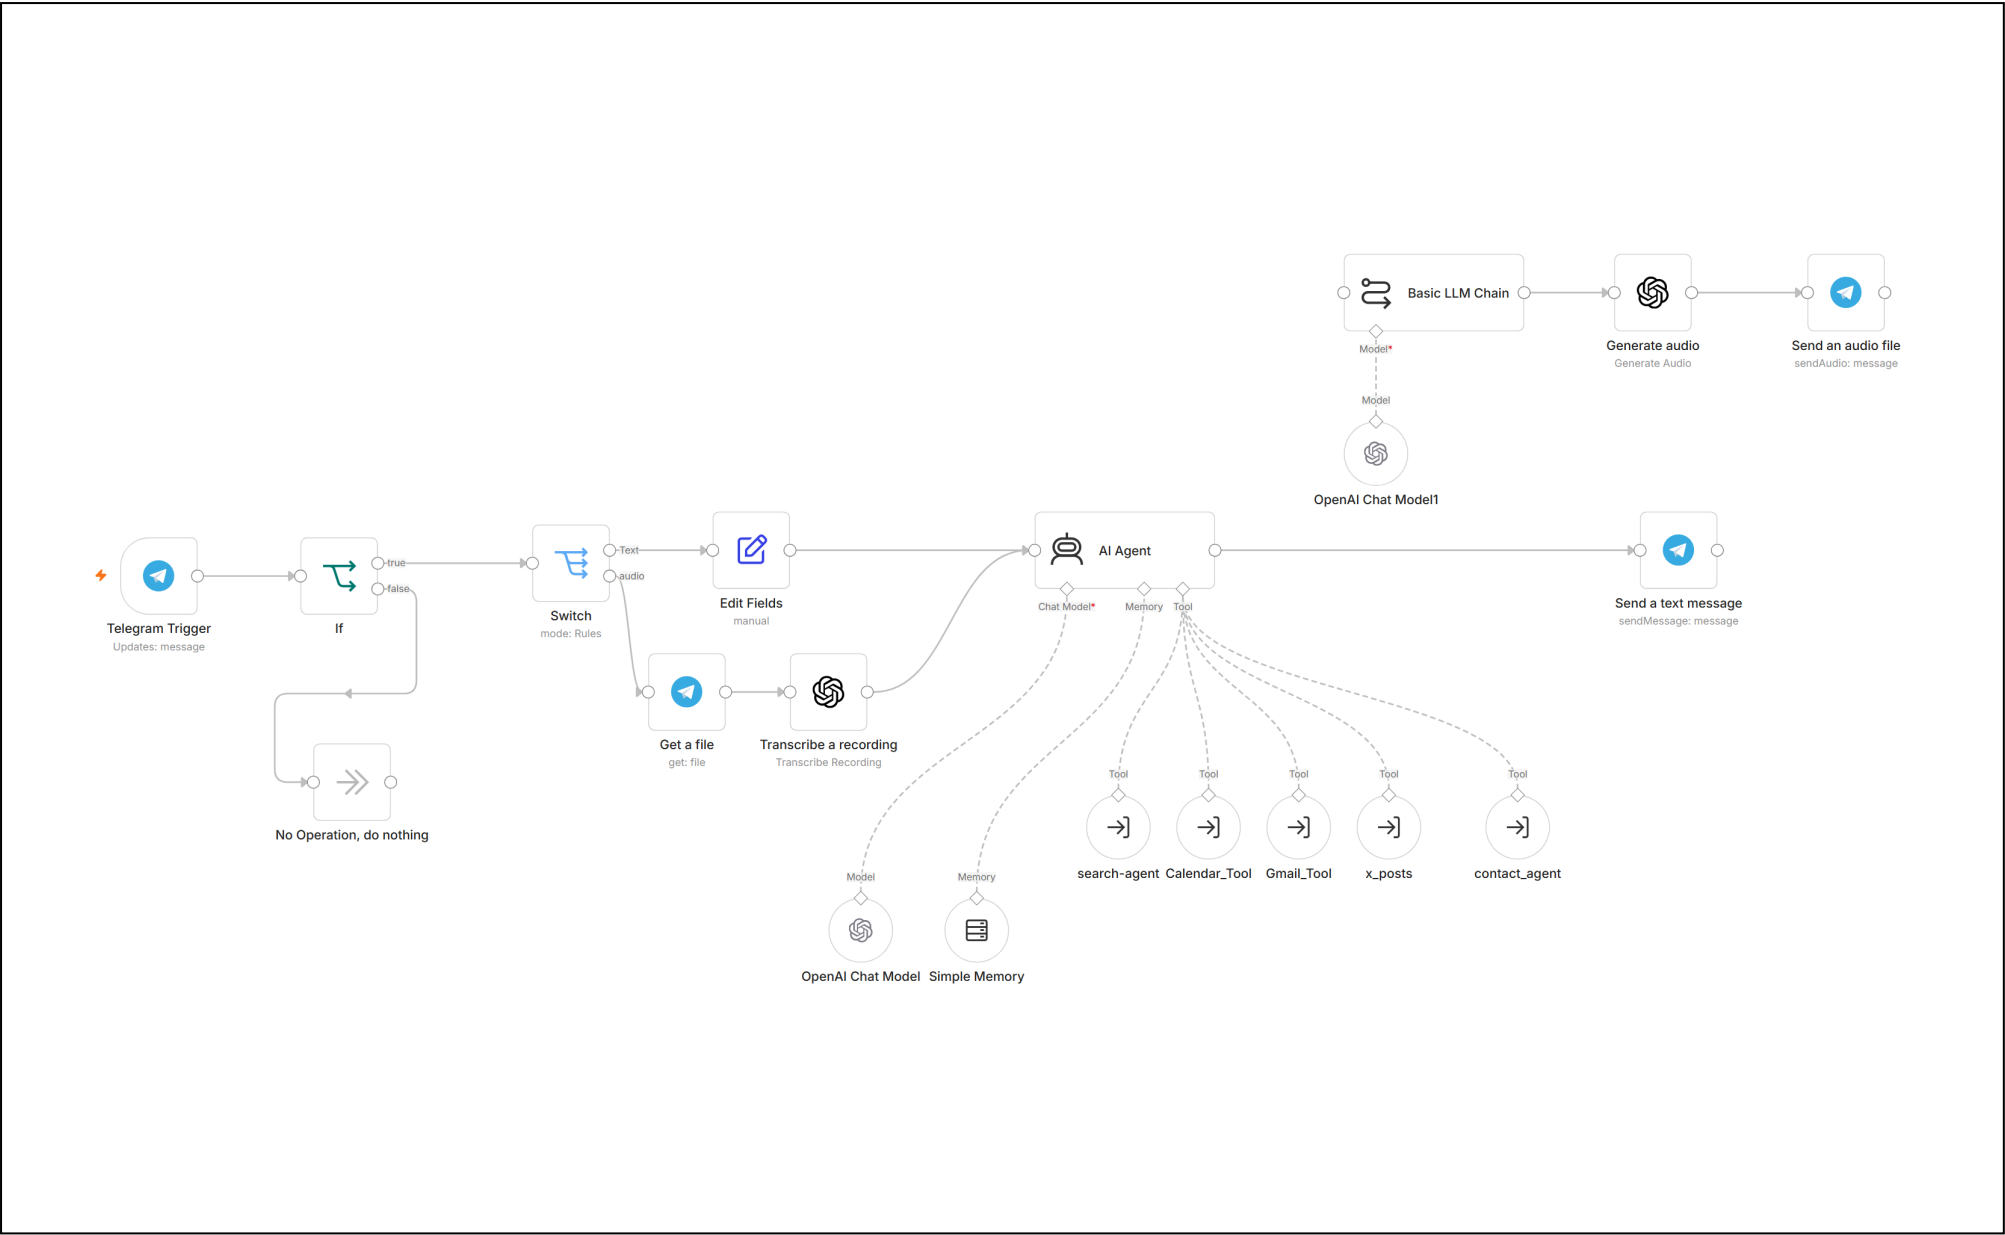

Task Reminders & Reply Handler

Sends due-task reminders, matches replies to the right task, asks for missing proof, marks work complete.

Multi-Agent AI Assistant

One assistant, by text or voice, that delegates to specialist agents for calendar, email, contacts and web search.

Daily AI Briefing

Every morning at 07:30: collects eight sources, merges them and emails an AI-written executive summary.
